

CONSTRUCTION INSPECTION

Our overall approach provides for strong quality assurance oversight/inspection, enforcement of the specifications and plan requirements, project documentation, and a focus on safety.

ABOUT OUR SERVICES

Popli Design Group (PDG) has provided construction inspection services across New York State since 1982. In the past five years, PDG had a major role in the successful completion of over \$500 million worth of projects, ranging from \$1 million bridge rehabilitations to \$100 million-plus interstate reconstructions. Our clients include NYSDOT, NYSTA, NYPA as well as other transportation authorities and municipalities throughout New York State.

Our staff of trained inspectors can fulfill whatever role your team needs, whether it is a Resident/Project Engineer, a Bridge Rehabilitation specialist, or NICET II inspectors to provide the manpower to complete the project. PDG can place these inspectors anywhere in New York State – from Buffalo to Binghamton, Plattsburgh to Poughkeepsie, and everywhere in between.
